Williston, Vermont - The non-profit Stern Center for Language and Learning's Enrichment Center Curriculum Coordinator Nancy Clements, MA, CCC-SLP and Instructor Mary Cotton, MA, CCC-SLP presented [*From Superflex© to Social Scientist; A Developmental Social Thinking Curriculum*](#) at a poster session for the American Speech-Language-Hearing Association conference in New Orleans, LA in November 2009.

The Stern Center for Language and Learning is dedicated to literacy for all. Many people who struggle with reading, writing, and mathematics do not learn the same way as those who easily achieve literacy. Stern Center professionals evaluate and teach all kinds of learners, including those with learning disabilities such as dyslexia or attention deficit disorders. The Stern Center is committed to helping individuals identify their learning strengths as well as their needs and to finding solutions that allow everyone to learn.
