Williston, Vermont - The non-profit Stern Center for Language and Learning's Enrichment Center Curriculum Coordinator Nancy Clements, MA, CCC-SLP has completed the Certified Clinical Internship through Michelle Garcia Winner's Center for Social Thinking in San Jose, California. Participation in this highly competitive program will allow the Stern Center staff to continue developing and offering the highest level of Social Thinking programming in the country, through direct instruction, professional clinical mentorship, professional learning workshops and courses. The Stern Center currently provides eleven social thinking groups serving over 50 children and young adults with Autism Spectrum Disorders, Asperger's, Non-Verbal Learning disorder, and Attention Deficit challenges.

*The Stern Center for Language and Learning is dedicated to literacy for all. Many people who struggle with reading, writing, and mathematics do not learn the same way as those who easily achieve literacy. Stern Center professionals evaluate and teach all kinds of learners, including those with learning disabilities such as dyslexia or attention deficit disorders. The Stern Center is committed to helping individuals identify their learning strengths as well as their needs and to finding solutions that allow everyone to learn. More information available at [www.sterncenter.org](http://www.sterncenter.org).*
