Hannaford Supermarkets Provide Healthy Snacks to Stern Center for Language and Learning Summer Programs

Williston and White River Junction, VT – In the Hannaford Supermarkets strong tradition of supporting deserving and worthwhile community organizations they have donated healthy snacks for the Stern Center for Language and Learning’s 2010 Summer Programs.

“Hannaford’s gift of healthy snacks will help students stay focused on learning. Our summer program reaches over 100 students, so Hannaford’s generosity is a big help in keeping our costs, and by extension our clients’ fees, down. We appreciate Hannaford’s support!” says Stern Center CFO John Connell.

The non-profit Stern Center for Language and Learning is dedicated to literacy for all. Many people who struggle with reading, writing, and mathematics do not learn the same way as those who easily achieve literacy. Stern Center professionals evaluate and teach all kinds of learners, including those with learning disabilities such as dyslexia or attention deficit disorders. The Stern Center is committed to helping individuals identify their learning strengths as well as their needs and to finding solutions that allow everyone to learn. More information available at www.sterncenter.org.
