Stern Center Staff to Attend Learning & the Brain Conference in California

Williston, VT -- Stern Center for Language and Learning educational professionals will be attending the Learning & the Brain conference, *Educating the Whole Child/Student: Using Brain Science for Smarter, Happier and Healthier Learners*, in San Francisco in late February, 2012. This professional development opportunity was made possible by a donation for the purpose of advancing elements of the Social Thinking® program within the organization. Staff attending include Nancy Clements, M.A., CCC-SLP, Social Thinking® and Communications Program Manager; Michelle Szabo, M.S. Ed., Instruction Program Manager; Tom Wieland, M.S., M.A., C.A.S., Evaluations Program Manager; Nancy Cotton, Ph.D., Clinical Developmental Psychologist; Julie Erdelyi M.A., Autism Specialist; and Pat Greene, B.A., Instructor.

###

The Stern Center for Language and Learning, with locations in Williston and White River Junction, is a nonprofit learning center dedicated to helping children and adults reach their full potential. Through high-quality direct service, professional learning, and research, we are committed to enriching the lives of learners because all great minds don't think alike. Scholarships are available. More information may be found at www.sterncenter.org.
