### **Stern Center for Language and Learning Awarded Grant and Challenge from the Jack and Dorothy Byrne Foundation**

Williston and White River Junction, VT – Blanche Podhajski, Ph.D., President and Founder of the Stern Center for Language and Learning is pleased to announce that the Jack and Dorothy Byrne Foundation recently awarded a \$25,000 grant and a matching pledge for \$20,000. The focus of this gift and challenge is to ensure that the Stern Center's services are available to all learners in the Upper Valley Region. The Stern Center provides a full range of scientifically based services including learning evaluations, individualized instruction, SAT preparation, and social thinking groups. If you share the excitement of this challenge pledge and want to help more learners meet their full potential, please contact Ed Wilkens, Development Director at the Stern Center ([ewilkens@sterncenter.org](mailto:ewilkens@sterncenter.org)).

*The non-profit Stern Center for Language and Learning is dedicated to literacy for all. Many people who struggle with reading, writing, and mathematics do not learn the same way as those who easily achieve literacy. Stern Center professionals evaluate and teach all kinds of learners, including those with learning disabilities such as dyslexia or attention deficit disorders. The Stern Center is committed to helping individuals identify their learning strengths as well as their needs and to finding solutions that allow everyone to learn.
