Williston Sears Hometown Store Donates Refrigerator to the Stern Center for Language and Learning

Williston– Blanche Podhajski, Ph.D., President and Founder of the Stern Center for Language and Learning is pleased to announce that Vince Abbiati, Owner of the Williston Hometown Sears Store on Harvest Lane, enthusiastically donated a new refrigerator to the Stern Center when he learned that the previous one was barely functioning.

“The Williston Sears gift of a refrigerator is a big help in keeping our costs, and by extension our clients’ fees, down. As a non-profit we don’t have the luxury of budgeting for every contingency. We appreciate Mr. Abbiati’s support!” says Stern Center CFO John Connell.

The non-profit Stern Center for Language and Learning is dedicated to literacy for all. Many people who struggle with reading, writing, and mathematics do not learn the same way as those who easily achieve literacy. Stern Center professionals evaluate and teach all kinds of learners, including those with learning disabilities such as dyslexia or attention deficit disorders. The Stern Center is committed to helping individuals identify their learning strengths as well as their needs and to finding solutions that allow everyone to learn. More information available at www.sterncenter.org.
